TYPES OF HOME LEARNING

Topic/Project homework:

Your child is encouraged to find out more about the half termly topics. They can present what they learn in any format they want. Last year children made Tudor houses, habitats, costumes, posters and power point presentations.

HOME READING

At Randal Cremer we are putting a lot of emphasis on Reading. A lot of our children have very little vocabulary to express themselves in both speaking and writing.

It is important that you help and monitor your child with Home Reading

We ask you to fill in the Reading Journals and projects that are listed in them.

DROP DOWN CURRICULUM

Each week children in year 1 & 2, year 3 & 4 and Year 5 & 6 will take part in a drop down curriculum.

This is to give children to learn life skills as well as collaborate with children from different classes.

In year 4 we are offering performing arts, problem solving, creative arts and design and technology.

In Year 5 & 6 we are offering – Performing Arts, Art, Cookery and Filming

BEHAVIOUR

Pupils in our school generally behave really well. However, part of Primary School is learning the social and learning behaviour needed to be successful.

We use 'Stay On Green' a whole school approach to Behaviour Management that rewards the Positives.

If a child does not follow the classroom and playtime expectations there is a clear structure for managing that behaviour. If your child is ever sent out of class, the teacher will inform you by text so that you can discuss your child's behaviour with them.

Bronze, silver and gold awards are given to children who demonstrate behaviour above our expected behaviour. Green.

STRAIGHT TO RED BEHAVIOUR

- **Violent and aggressive behaviour**
- **Racist language**
- **Homophobic language**
- **Stealing**
- **Bullying**
- **Insulting to someone's gender**
- **Insulting to someone because of a disability**
- **Not following an adult's instructions**
- **Swearing**
- **Defacing or damaging any school property**
- **Continually stopping other children from working or being able to concentrate.**

3 straight to Reds in any half term – could lead to an exclusion.

SCHOOL UNIFORM

Please ensure your child wears the correct school uniform.

Shoes should be black.

Only small stud ear-rings or sleepers are permitted. Head scarves should be pulled on and plain black or white.

E SAFETY

E-Safety is becoming a bigger and bigger issue each year. We will be offering support and workshops to parents across the year to help you keep your child safe on line.

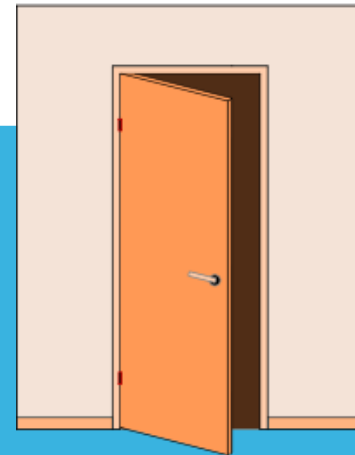

The school has produced a guide to online safety. A copy is available upon request or you can download from our website.

In year 5 & 6 children who go home alone, may bring a mobile phone. This must be left in the office during the day. Any child who misuses their phone for cyber bullying are at risk of exclusion. If a child does not hand their phone in at the start of the day it will be confiscated and a parent or carer will need to collect it.

We strongly advise that you do not give your child a phone with the internet on it as this can lead to e-safety issues.

WHAT TO DO IF YOU HAVE A PROBLEM

1. **Talk to your child's teacher. It is best if you speak to them when school is over .**
2. **If this does not resolve the problem, ask the office to make an appointment for you to meet with the Phase Leader.**
3. **If this still does not help, you can arrange an appointment with SLT; Jo or Morna.**
4. **Jo offers a Head's Open Door every Wednesday between 5.30 and 6.30pm for any parents who find making appointments in the normal school day difficult .**
